From the Chair

It is my pleasure to present the Chair's Report for the year and reflect on what has been a meaningful and, in many respects, successful period for Cricket Tasmania.

This past year has provided an important opportunity to recognise not only our on-field performances, but also the strength of our organisation, the depth of our people and the connections that underpin cricket across Tasmania. While results will always form part of how we measure success, equally important is the progress we continue to make in strengthening our game at every level—from grassroots through to elite competition.

A defining feature of the year has been the strength of connection across our cricket community. This is evident within our teams, across our staff, throughout our pathways and in the relationships we continue to build with clubs, volunteers, partners and supporters right around the state. These connections are critical to sustaining a thriving cricket ecosystem and ensuring the game continues to grow in both participation and impact.

With this connection comes responsibility.

As custodians of the game in Tasmania, we recognise the role we play in shaping not only the future of cricket, but also the experiences of young Tasmanians engaging with our sport. The opportunity to positively influence communities, to support local clubs and to represent our game with integrity is one we take seriously. Our people—players, coaches, staff, and volunteers—continue to demonstrate leadership in this regard and I thank them for the impact they have made across the state.

This sense of responsibility is central to the legacy we are building. It extends beyond performance to include the development of strong pathways, inclusive participation opportunities and a culture that reflects the values of our organisation. We remain focused on ensuring cricket in Tasmania is accessible, progressive and sustainable for generations to come.

From a performance perspective there has been much to acknowledge and celebrate.

Our Hobart Hurricanes women's team delivered a historic achievement by securing their first Weber WBBL title and adding further silverware to Cricket Tasmania's trophy cabinet. This success not only reflects the dedication and professionalism of the group, but also the strength of our women's program more broadly. We congratulate Elyse Villani on her outstanding leadership and significant contribution to Tasmanian cricket both as a player and as a role model.

Nikhil Chaudhary in action for the Tigers.

WBBL glory.

At a national level, Tasmanian players continued to be recognised on the international stage. Beau Webster and Jake Weatherald were selected in the Australian Test squad alongside Nathan Ellis and Mitch Owen in white-ball formats and Nicola Carey's return to the national side. Further representation was seen through Matt Kuhnemann, Riley Meredith,

Another wicket for the skipper.

Tim David and Billy Stanlake across formats, while Nikhil Chaudhary achieved his maiden international debut during the year. Sam Nogajski achieved a significant milestone with his Test umpiring debut in November 2025. These achievements reflect the strength of our high-performance pathways and the continued progression of Tasmanian cricket.

Encouragingly our development pathways continue to produce emerging talent, with Ava Curtis and Mia Barwick making their senior debuts during the year and Zac Curtain earning a contract in the men's program. These milestones are a testament to the investment being made in player development and signal a positive outlook for the future of Tasmanian cricket.

While our Sheffield Shield and WNCL campaigns did not conclude with the outcomes we had hoped for, there were notable positives. Hosting the One-Day Cup Final in Tasmania represented a significant milestone and an important moment for our players, staff and supporters. We remain confident in the direction of our programs and in their capacity to build on this foundation moving forward.

None of these achievements would be possible without the continued support of our commercial and community partners. Their investment in Cricket Tasmania enables us to deliver programs, enhance facilities and create opportunities across all levels of the game. On behalf of the Board, I extend our sincere thanks to them for their commitment and belief in our vision.

During the year there has also been ongoing discussion at a national level regarding the future structure of the Big Bash League, including the potential for further private investment. While these talks are still evolving, Cricket Tasmania continues to engage constructively in the process with a clear focus on ensuring any future model

supports the long-term sustainability of the game, strengthens our clubs and communities and preserves the integrity of the competition.

I would also like to acknowledge the contribution of our Board, executive team, staff, players and volunteers. The collective effort across the organisation continues to drive our progress and ensure we are well positioned to respond to both the opportunities and challenges ahead. In particular, I recognise the leadership of our Chief Executive Officer and executive team in guiding the organisation through a dynamic and ever evolving environment.

Looking ahead our focus remains on strengthening the foundation of cricket in Tasmania. This includes continued investment in participation growth, enhancing pathways, supporting our clubs and volunteers plus ensuring our high-performance programs remain competitive at a national level. Equally, we remain committed to delivering a positive and inclusive environment for all participants in our game.

As we move into the next phase of our strategic journey we do so with confidence in our people, clarity in our priorities and a shared commitment to the future of Tasmanian cricket.

In closing, I thank all members and stakeholders for their ongoing support of Cricket Tasmania. Your contribution is essential to the success of our game and we look forward to building on the progress of this year together.

Tim Scott
Chairman

From the Chief Executive

The 2025/26 year has been a significant one for Tasmanian cricket. It's been a year of achievement, momentum and belief, and one that reflects the strength of our people and the ambition of our organisation. Across community cricket, our pathways and the elite game, we have continued to build with purpose, creating more opportunities for Tasmanians to play, connect with and feel proud of cricket in this state.

There is much to celebrate from the season on the field. The Hobart Hurricanes securing their first WBBL title was a landmark moment not only for the club, but for Tasmanian cricket more broadly. It was a reward for vision, resilience and sustained hard work, plus a powerful reminder of what can be achieved when talented people are supported in the right environment. Our Tasmanian Tigers men's program also delivered a strong campaign including the opportunity to host the One-Day Cup Final, reinforcing the depth, competitiveness and quality that continues to come through our high-performance system.

Just as importantly, we have continued to invest in the future of the game. Our pathways program remains one of our greatest strengths, with 92 young cricketers selected across Emerging Tigers and Development programs for 2025/26. That talent exists in every corner of Tasmania and gives us real confidence in what lies ahead. It also speaks to the commitment of the clubs, schools, volunteers, coaches, officials and families who make these journeys possible. Their contribution is helping shape not only better cricketers, but the next generation of Tasmanian leaders and role models.

At the heart of everything we do is the belief that cricket has the power to bring people together. In communities right across Tasmania the game continues to create connection, belonging and opportunity. This year we remained focused on supporting grassroots cricket, broadening access and ensuring that boys, girls, women and men in every region can see a future for themselves in the game. That matters deeply, because a strong game at community level is the foundation of everything we aspire to achieve.

We also made important progress in shaping the future of cricket in Tasmania through infrastructure and long-term planning. The advancement of plans for a new high-performance centre, community and cricket academy at Seven Mile Beach represents a major opportunity for our organisation and state. Alongside work connected to the future transition to a new stadium environment, these developments have the potential to transform how we deliver elite performance, nurture emerging talent and welcome more Tasmanians into the game for decades to come. It is an exciting vision and one we are determined to realise.

None of this happens without people. I want to sincerely thank our staff, players, coaches, match officials, volunteers, clubs, members, partners and government stakeholders for their contribution throughout the year. Tasmanian cricket is built on dedication, generosity and a shared belief in what the game can achieve. From local grounds to national stages, there are people right across our cricket community who give their time, energy and expertise to help the game thrive and this year's progress is a credit to them.

As we look ahead, we do so with pride in what has been achieved and confidence in what is still to come. Our focus remains clear: to grow participation, strengthen pathways, pursue excellence at the highest level and build the facilities and partnerships that will support the next chapter of Tasmanian cricket. The 2025/26 year has shown what is possible when ambition is matched by hard work and collective commitment. We have much to be proud of, and even more to strive for.

Men's International Cricket – Australia v India T20I

A highlight of the summer calendar, the Men's T20 International between Australia and India delivered a high-quality contest at Ninja Stadium. India successfully chased down Australia's 186/6, finishing 188/5 to secure a five-wicket victory in a thrilling encounter. The match showcased elite international talent and provided strong engagement across all customer segments.

Attendance – Comp	790
Attendance – Members	591
Attendance – Total	11,500
Hospitality Attendance	434

Men's International Match.

Women's International Cricket – Australia v India Series

The Women's International Series between Australia and India represented an important strategic pillar in growing participation, visibility and engagement in women's cricket. Across both fixtures these events provided a platform to connect with emerging audiences whilst delivering professional match-day experiences aligned with international standards.

Game 1 was played in the evening timeslot generating an intimate and family-friendly atmosphere that supported community engagement. While crowd numbers remained modest, the event delivered strong qualitative outcomes including positive spectator experiences and operational efficiency across staffing, ingress and venue services.

Game 2 demonstrated a growth in attendance seeing an increase to over 1,000 patrons. This uplift reflects the continued opportunity to build awareness and demand for women's cricket in Tasmania. The match built on learnings from Game 1 with improved conversion across attendance segments and continued delivery of a high-quality broadcast and venue presentation environment.

Game	Date	Total Attendance
Game 1	27 Feb 2026	609
Game 2	1 Mar 2026	1,057

AFL – Richmond v Brisbane

The AFL fixture delivered a strong mid-year crowd with Brisbane Lions defeating Richmond by 35 points (115 to 80). The match generated strong corporate and hospitality demand and reinforced the venue's capability to host elite football fixtures.

The match showcased elite-level performance and provided fans with high-scoring, entertaining football. From a venue operations perspective the event was a standout success. Strong attendance figures complemented by significant hospitality uptake highlight the demand for premium match-day experiences.

The fixture further reinforced Ninja Stadium's reputation as a capable host of AFL content that delivers both operational excellence and a high-quality spectator experience.

VFL – Devils v Carlton

The VFL fixture between the Tasmania Devils and Carlton Blues was a landmark occasion for the venue combining strong on-field competition with exceptional crowd engagement.

Carlton defeated the Tasmania Devils 14.9 (93) to 9.14 (68), securing a 25-point victory in a high-intensity contest.

The event demonstrated the growing appeal of VFL football in Tasmania with strong attendance contributing to a vibrant and highly engaged atmosphere throughout the evening. From a venue perspective the energy within Ninja Stadium reinforced its capability to host large-scale football fixtures and deliver compelling match-day experiences.

Operational delivery across ticketing, crowd management and match-day services was executed at a high standard, contributing to a seamless event experience.

Freestyle Kings Event

Freestyle Kings Live brought a high-energy, family-friendly entertainment offering to the venue, featuring world-class FMX and BMX athletes performing adrenaline-fueled stunts. The event attracted 5,018 attendees and broadened the venue's event diversification strategy.

BBL and WBBL

The venue hosted five BBL regular season games and one BBL final along with 4 WBBL regular season games plus the WBBL Grand Final.

Around 10,000 people attended each BBL game, while crowds of 1000 attended each WBBL game and an impressive 6000 for the WBBL final. The venue delivered a high-level experience for the Hurricanes, members and patrons across all matches.

Hospitality Sales across the Cricket Season

Hospitality operations delivered strong, demand-led performance across the season with over 3,100 patrons attending premium experiences. The Hub remained the core driver of attendance, while a balanced mix of premium suites and accessible hospitality offerings supported consistent utilisation and growth opportunities across multiple customer segments.

The Hub accounted for **over half of all hospitality attendees (55%)** reinforcing its position as the venue's flagship social and corporate offering. Its high-capacity, flexible format and broad market appeal enabled strong and consistent performance across all fixtures including peak events where attendance exceeded capacity targets.

Private Suites and The Pub delivered complementary performance, contributing **19% and 20% of total attendance respectively**. Private Suites performed strongly in premium and corporate segments particularly across high-demand fixtures, highlighting sustained demand for exclusive, high-end experiences. The Pub meanwhile, provided a highly accessible entry point into hospitality consistently attracting mid-tier group bookings and contributing meaningfully to overall utilisation.

The Deck remained a niche but valuable product contributing **5.5% of total attendance**. Performance varied significantly fixture-by-fixture suggesting it's a demand-sensitive product that performs best during high-profile matches or favourable weather conditions.

Function Centre Performance

The Function Centre delivered an outstanding year of performance, reflecting both strong demand and the venue's reputation for excellence in service delivery, food quality and event execution. A total of 344 bookings were delivered across multiple spaces with consistent utilisation across both premium and flexible event environments.

Space	Bookings
Ricky Ponting Southern Room	151
Century Room	113
Board Room & Chair Lounge	55
The Alfresco Deck	13
Member's Lounge	12

Bookings were well diversified across corporate, community and social segments highlighting the flexibility and broad market appeal of the venue offering.

Occasion	Bookings
Club Events	39
Large Meetings	36
Conference	21
Training	20
School Program	14

Client feedback throughout the year strongly reinforced the high quality of the Function Centre experience. Clients consistently highlighted the professionalism of staff, seamless event delivery and exceptional food and beverage offering as key strengths.

One client noted, 'We had a wonderful experience – from booking the room to being well looked after on the day'. While another highlighted the food offering, noting that 'the soup was commented on and appreciated... as were the scones', reinforcing the quality and uniqueness of the catering experience.

Operational excellence was a recurring theme, with feedback emphasising 'everything was set up and very professional... all video and audio worked perfectly' along with the responsiveness of staff both in planning and on event day. Multiple clients referenced the team's ability to accommodate last-minute changes and deliver a seamless experience.

The consistency of this feedback demonstrates a high-performing operation that not only meets but exceeds client expectations, positioning the Function Centre as a leading venue for corporate and community events in Tasmania.

Partnerships and Infrastructure

Stadia and High Performance Infrastructure

Tasmania's sporting infrastructure and stadia landscape continues to evolve and Cricket Tasmania has again worked closely with Cricket Australia, Stadiums Tasmania and the Macquarie Point Development Corporation to ensure cricket's present and future needs are met and opportunities maximised.

A key focus in terms of Macquarie Point Stadium during the year was ensuring the suitability of the roof design for all forms of cricket. This work culminated in a testing process carried out under a small-scale 15x20m structure using the proposed roofing material. Several Tasmanian Tigers players bowled, batted, kept and fielded under the structure with broadcast quality cameras capturing any shadows and ball movements. Feedback was collected from all players and personnel involved in the testing with the outcome considered highly successful.

In April 2026 Cricket Australia and Cricket Tasmania provided support for the stadium design and progression to the Request for Tender stage of the project subject to some outstanding matters that were being positively progressed.

Underpinning the ongoing design work on the stadium was a Heads of Agreement signed by Cricket Tasmania and the Tasmanian Government in November 2025 providing commitments in relation to:

- the transition of cricket from Ninja Stadium to the new stadium;
- support for the establishment of drop in pitches required for the operation of the new stadium; and
- further foster and grow participation in and engagement with cricket in Tasmania.

These commitments from the Tasmanian Government enabled Cricket Tasmania to commence the planning and design work on a new Centre of Excellence, Community and Turf Management Facility to be located at Seven Mile Beach, having previously entered into a contract of sale to purchase land from the Royal Hobart Golf Club. Tender processes to establish the core consultant team required to progress this work were conducted over the period of April to June 2026 with activity expected to ramp up early in the 2026/27 year.

Ninja Stadium will continue to be Cricket Tasmania's home for the immediate future and serve the needs of sport in southern Tasmania from a local, national and international perspective. A transition plan for Cricket Tasmania's future exit from Ninja Stadium, including the funding of the new facility at Seven Mile Beach is expected to be developed and agreed in 2026/27.

Community Infrastructure and the Australian Cricket Infrastructure Fund

The Australian Cricket Infrastructure Fund (ACIF) provides funding for community cricket facility projects with a focus on growing participation and promoting accessibility and inclusivity. It is a partnership between Cricket Australia, Cricket Tasmania and formerly the Australian Cricketers Association.

During the year almost \$100,000 was made available from the ACIF to allocate to five Tasmanian cricket infrastructure projects across the state. This builds to a total Australian Cricket investment nearing \$1.5 million over the seven years of the ACIF and provides a very solid foundation for continued investment into the future.

A number of projects were also commenced and completed during the year including upgrades to nets at KGV Oval, which supports growing junior and female programs at the Glenorchy Cricket Club. This project was delivered by and with the support of the Glenorchy City Council on time and Cricket Tasmania was pleased to celebrate this milestone with the Club and Council in December 2025.

Partnerships

Cricket Tasmania continues to build a robust future-focused commercial program with a suite of State and National businesses. The investments made by our partners support the organisation to deliver the strategic priorities to grow participation, develop winning elite teams and become a leader in performance and wellbeing. Our partnerships have seen Tasmanian cricket go from strength-to-strength and we continue to seek partnerships with brands and businesses who share our values.

The 2025/26 year involved a considerable amount of work and planning to establish the partnership program for the future. This included positioning within the market and a clear articulation of our competitive advantages and ability to deliver national and/or state level exposure whilst providing genuine connection for any partner to grassroots and community.

Of particular note, and building on a highly successful first year, SharkNinja upgraded to Principal Partner of the Hurricanes' female and male teams during the year demonstrating the strength of the foundation that has been built for the years ahead. SharkNinja's investment, not only in Cricket Tasmania, but the State of Tasmania reflects our ability to deliver significant value to businesses of any size.

Following the inaugural Ponting Foundation BBL match in January 2025, Cricket Tasmania again partnered with the Foundation to raise funds to support Tasmanian families with children living with cancer. Having raised over \$284,000 in year 1, we set ourselves an ambitious target of \$500,000 for year 2 which was exceeded through generous pledges from individuals, businesses and from a percentage of all ticket and food and beverage sales, auctioned playing caps and raffled prizes at the match. Hurricanes players from both the female and male teams visited the Royal Hobart Hospital after which a number of children from the ward and their families joined us at the match for the bat flip and in the Chair Lounge to watch the game.

Cricket Tasmania continued to engage constructively with the Tasmanian Government, members of State and Federal Parliament and Councils all around the state during the year. These working partnerships are highly valued by the organisation and strategically important to the future success of both the organisation and the sport. A new funding agreement with the Tasmanian Government was secured during the year. This provided much needed certainty for Cricket Tasmania to grow the game and deliver quality experiences at the junior and community level along with high performance athletes and programs.

Community Cricket

The 2025/26 season was yet another exciting one for Community Cricket in Tasmania seeing strong participation growth. Major highlights for Community Cricket in Tasmania included:

Increased Cricket Participation

This year Community Cricket in Tasmania saw our total participation reaching 18,084—representing an almost 10% increase on the previous season and reinforcing the continued growth of the game across the state.

Woolworths Cricket Blast recorded 4,303 registrations. While this reflects a decrease year-on-year, it aligns with a deliberate strategic shift toward transitioning participants into Stage 1 Smash and junior competition formats, prioritising long-term retention along with sustainable participation pathways.

This approach has contributed to a significant growth in junior cricket which increased by more than 25% from 1,998 to 2,584 participants. Notably, Stage 1 Junior cricket accounted for the majority of this growth demonstrating improved retention outcomes following two strong years of Cricket Blast engagement.

Senior cricket participation has remained relatively stable; however it continues to present a strategic challenge. The gradual increase in the average age profile of players highlights an ongoing need to strengthen transition pathways into senior formats.

Complementary programs such as Smash Series Cricket along with key partnerships with Indoor Cricket Tasmania, school sport associations (including SATIS, NWPSSA and LSSSA) and Masters Cricket Tasmania have broadened participation opportunities. These initiatives continue to play an important role in engaging diverse participant segments and ongoing support for these partnerships remains a priority.

Coach and Volunteer Support

Continued progress has been made in strengthening the coaching and volunteer landscape across community cricket despite ongoing challenges relating to system processes and data accuracy. Coach registration levels rose significantly compared to the previous season reflecting increased engagement and stronger adoption across clubs.

Ongoing investment in coaching support has enhanced both the delivery of practical education sessions and the level of direct assistance provided to clubs. This has included expanding the casual workforce to support program delivery alongside increased club engagement through training visits and resource provision. This has helped to contribute to more sustainable and well-supported community cricket environments.

At a national level, the introduction of a refreshed accreditation framework will provide coaches with access to formal recognition while maintaining flexibility for programs to be delivered in ways that suit local needs. This will further support a continued focus on practical, face-to-face coaching development opportunities in Tasmania.

Stage 1 Smash Series – community cricket program.

Social Smash series cricket, played before the BBL at Ninja Stadium.

Hurricanes Smash Series Development and Growth

The 2025–26 season has seen continued growth in the delivery of innovative, short-format cricket opportunities across Tasmania with a strong emphasis on accessibility, flexibility and year-round participation.

Hurricanes Court Smash has played an important role in this expansion with increased program delivery and strong engagement highlighting the growing demand for indoor and adaptable cricket formats.

Stage 1 Smash is now firmly established within the participation pathway with widespread delivery across the state and consistently positive feedback on the format. These experiences continue to support player transition and engagement at a critical stage of development.

With a strong foundation now in place the focus has shifted towards enhancing marketing efforts and implementing locally driven promotional strategies aimed at increasing participation and maximising engagement across both Court Smash and Stage 1 Smash offerings.

Community Cricket Award Winners

The Cricket Tasmania Volunteer of the Year Awards again provided a terrific opportunity to recognise volunteers for their efforts in growing the game and providing high quality cricket experiences.

The winners for the 2025/26 were:

Volunteer of the Year (sponsored by Aurora Energy)

■ **Tyeisha Hinds** (George Town Cricket Club)

Women and Girls Initiative

■ **Turners Beach Cricket Club**

Woolworths Cricket Blast Program of the Year

■ **Claremont Cricket Club**

Community Cricket Partnerships Support

Community cricket continues to rely heavily on the contribution of volunteers whose dedication ensures the game remains accessible and inclusive for participants of all ages and backgrounds. Their efforts are integral to the sustainability of the sport and Cricket Tasmania extends its sincere appreciation for their ongoing commitment.

During the 2025/26 season Cricket Tasmania strengthened its partnerships with key cricket associations across the state. These partnerships have reinforced alignment in both strategy and execution enabling a coordinated approach to advancing community cricket.

In addition, these collaborations have supported the efficient administration and delivery of competitions at the local level. By streamlining operational responsibilities they have enabled volunteers to focus on fostering quality playing environments and positive experiences within their communities.

National Indigenous Cricket Carnival

The Cricket Australia 2026 National Indigenous Cricket Carnival was held in Mackay in April 2026. The squad was made up of a mixture of seasoned CTPL 1st Grade players, CN and CNW Senior cricketers along with some CT Pathway players:

- **Ben Spinks** (Riverside Cricket Club)
- **Brandon Kopper** (Glenorchy Cricket Club)
- **Toby Hutton** (Ulverstone District Cricket Club)
- **Eli Sheean** (Devonport Cricket Club)
- **Jack Pearce** (Ulverstone District Cricket Club)
- **Lachlan Nichols** (Lindisfarne Cricket Club)
- **Brayden Devries** (Greater Northern Raiders / Ulverstone District Cricket Club)
- **Josh Walmsley** (Ulverstone District Cricket Club)
- **Caleb Brewer** (Riverside Cricket Club)
- **Hayden Clark-Sullivan** (Clarence District Cricket Club)
- **Aiden Bulger** (Kingborough Cricket Club)
- **Russi Sturzaker** (Burnie Hurricanes)
- **Lucas Kamaric** (Glenorchy Cricket Club)

CT Pathways Coach Harry Allenby led the side with his coaching guidance and was well supported by Scott Pearce (Team Manager) and Guy Grey (Cultural Advisor).

The team finished 4th overall for the tournament, and were unlucky not to finish higher after some close results and a crucial game being washed out.

National Cricket Inclusion Carnival

The Tasmanian Intellectual Disability (ID) team participated in the National Cricket Inclusion Carnival in January held in Perth, Western Australia.

The team made history for Tasmania going undefeated during the carnival and winning a tense Grand Final against Victoria by 9 runs. Making 2/147 off their 20-overs, they then restricted Victoria to 7/138 to claim Tasmania's first ever title at the NCIC.

Congratulations to the squad for their participation in the program and for this fantastic achievement:

- **Lachlan Johannesen** (South Hobart Sandy Bay Cricket Club)
- **Joel Corbett** (South Hobart Sandy Bay Cricket Club)
- **Kobe Arrowsmith** (South Launceston Cricket Club)
- **Jayden Menzies** (Rokeby Cricket Club)
- **James Colhoun** (South Hobart Sandy Bay Cricket Club)
- **Blake Bonnitcho** (Rokeby Cricket Club)
- **Nathan Davis** (Devonport Cricket Club)
- **Justin Nilon** (South Launceston Cricket Club)
- **Harry Colgrave** (South Launceston Cricket Club)
- **Bailey Menzies** (Rokeby Cricket Club)
- **MJ Parbs** (Huonville Bulls Cricket Club)
- **Tyson Parbs** (Huonville Bulls Cricket Club)
- **Connor Sheppard** (Riverside Cricket Club)

Cricket Tasmania was well supported by our disability support partner New Horizons during the program, in particular by staff members Will Thompson and Tom McIntee who travelled with the team as Team Managers. CT Community Cricket staff Josh Marshall (Head Coach) and Jyles Horne (Assistant Coach) also helped support the program.

Tasmanian Inclusion players celebrating a wicket in the grand final.

Tasmanian Intellectual Disability team who played at the National Cricket Inclusion Carnival.

Blind Cricket Tasmania

Blind Cricket Tas (BCT), managed by Inclusive Innovations Tas (IIT), has enjoyed another year of innovation, participation growth and strengthening partnerships to expand opportunities for blind and low vision (BLV) Tasmanians.

The introduction of BLV SONIX Cricket was a significant milestone. A uniquely developed 6–8–10 player T20-style format designed to make the game more accessible, enjoyable and practical for broader community participation. It's a dynamic game full of tactical and competitive excitement.

BCT also proudly launched the inaugural Tasmanian Inclusion Community Club Cup in partnership with Mowbray Cricket Club. The first game brought BLV and sighted players together in an exciting demonstration of inclusive cricket and showcasing the SONIX format. BCT welcomes all enquiries to play a SONIX game against any local 'sighted' clubs to enjoy the inclusion, connection and social benefits it brings to both parties.

The year also saw our BCT BLV 'Tigers' dual team arrangement with BC ACT conclude which has allowed a greater focus on our statewide recruitment, local coaching resources and strategic plan to deliver more local games. The Tigers players still have the opportunity to play in state-based events to ensure high quality competition and development of our team.

The highly successful BLV Cricket Schools Program and Come & Try Days activity has continued to introduce new participants to the game while also educating the younger generations on the importance of inclusive attitudes and equal opportunity in our society.

IIT / BCT sincerely thanks Cricket Tasmania, players, volunteers and supporters for their ongoing commitment to making cricket more inclusive and accessible throughout Tasmania.

Indoor Cricket Tasmania

The Tasmanian Indoor Cricket Association continues to support, promote and develop indoor cricket across Tasmania by providing opportunities for players to participate in a competitive, inclusive and team-focused environment.

TICA conducts and manages state-level indoor cricket competitions across junior and senior age groups for both male and female players. The Association also supports the selection and preparation of Tasmanian teams to participate in the Indoor Cricket National Championships along with fundraising.

Indoor Cricket Tasmania recorded 239 total registrations across representative indoor cricket and State Titles activities across the financial year. State Titles participation included 68 junior registrations and 32 senior registrations.

National Championships

In early July 2025 Tasmania was well represented at the Indoor Cricket National Championships held in Perth, Western Australia by the following age groups:

- Open Women's
- U18 Boys
- U16 Boys
- U14 Boys

Two Tasmanian players were selected for the All-Australian Allstars teams in the U14 Boys and U18 Boys teams, Ollie McAdie and Jericoh Dickens. The 2026 event will see the Tasmanian teams return to Melbourne with matches held at Casey Stadium in Melbourne from 27 June –11 July 2026. Tasmania will field teams across the following divisions:

- Open Men's
- Open Women's
- U18 Boys
- U16 Boys
- U14 Boys
- U16 Girls

A key milestone for the 2025–26 season is the inclusion of Tasmania's first underage female indoor cricket team with the U16 Girls side set to represent the state at Nationals. This is an exciting and significant step for the development of female indoor cricket in Tasmania and reflects the growing interest, talent and pathway opportunities for girls in the sport.

The preparation for Nationals has involved a strong commitment from players, coaches, families and volunteers with training, fundraising and team-building activities taking place in the lead-up to the tournament.

State Titles

The 2026 State Titles were held at The Cricket Hub, Kingston on 11 April 2026. The event saw the Northern Allies representing the North and the Southern Strikers representing the South as they competed across junior and senior divisions.

State Titles continue to provide an important opportunity for players selected in Tasmanian teams to compete at state level while also supporting the development of emerging players. The event plays a valuable role in strengthening the indoor cricket pathway in Tasmania and fostering connection between players, coaches and families from across the state.

Community and Development

TICA remains committed to encouraging good sportsmanship, teamwork, participation and player development. The Association acknowledges the significant contribution of volunteers, coaches, team managers, families, sponsors and supporters whose efforts make state-level participation and national representation possible. Indoor cricket also continues to play a valuable role in the broader cricket landscape in Tasmania with many indoor cricket players also participating in Cricket Tasmania's Development Pathway Program. This crossover highlights the complementary role indoor cricket plays in supporting skill development, game awareness, confidence and competitive match experience for emerging Tasmanian cricketers.

The continued growth of female participation, particularly through the introduction of the U16 Girls team is a highlight for the Association and an important foundation for the future of indoor cricket in Tasmania.

TICA is proud to continue building a pathway for Tasmanian indoor cricketers and looks forward to seeing our teams represent the state with pride at the 2026 National Championships.

Proudly on board with those going into bat for Tasmania.

As the gateway to this great state, Hobart Airport is proudly on board with Tasmanians who swing for the fences, the skies and beyond. We're witnessing history in the making and watching Tasmanian sport reach new heights.

We're proud to be on board with the

Masters Cricket Tasmania

The 2025/26 season saw a national rebranding to Cricket Australia Masters (formerly *Veterans Cricket Australia*) which subsequently led Veterans Cricket Tasmania Inc. to adopt the trading and operational name Masters Cricket Tasmania.

Masters Cricket Tasmania (MCTas) continues to provide opportunities for individuals to embrace their lifelong cricket journey for players aged 40 and above through both National and local competitions. MCTas fosters a community focused on health, wellbeing, connection through the game and promoting the spirit of cricket ethos and fellowship.

National Championship and Tournament Participation

The 2025/26 season saw another strong representation from Tasmania across multiple National championships. A total of 15 teams participated across various playing groups:

- Men's Over 40 (Adelaide):
2 teams – Divisions 1 & 2
- Men's Over 50 (Brisbane, QLD):
3 teams – Divisions 1, 2 & 3
- Men's Over 55 (Bunbury, WA):
2 teams – Division 1 & Division 2
- Men's Over 60 (Wollongong, NSW):
2 teams – Divisions 1 & 3
- Men's Over 65 (Christchurch, NZ):
1 team – Division 1
- Men's Over 70 (Mackay, QLD):
1 team – Division 2
- Women's Over 40 (Perth, WA):
3 teams – Divisions 1, 2 & 3
- Quad Series (Men's Over 55 – Ipswich, QLD):
1 team

Membership

For the 2025/26 season MCTas registered 138 playing members. In addition, an estimated 80+ additional players participated in Masters matches throughout the State.

Regular net sessions are held in Launceston, Hobart and on the North West Coast enabling a mix of competitive and social participants and highlighting the broad reach and appeal of the activities of MCTas.

Local Fixtures

A total of 48 Masters local fixtures were held in the 2025/26 Season compared to 38 in 2024/25, showcasing the depth of Veterans cricket across Tasmania:

- 6 intra-state games
- 12 Tier 1 – State Teams Competition – comprising 4 teams and won by Port Sorell
- 30 club/team-based matches

Clubs/Teams – Tier 1: Last Over XI (Australian Cricket Society, Hobart; Port Sorell; Twilighters (Launceston); Thylacinians (Hobart).

Other Clubs/Teams: Lotus (Hobart); Judbury (Huron); Marrawah; West Tamar; West Ulverstone.

Fixtures were held at a variety of venues, including: Ross (turf), NTCA No.1 (turf), Port Sorell, Cressy, Clarence High School, Exeter, Beaconsfield, Redpa, Spreyton, West Ulverstone, Bishopsbourne, Woodbridge, Kettering, Margate and Judbury.

Awards Night

The Cricket Tasmania Awards winners for 2025-26 were as follows:

Jamie Cox Male Young Player of the Year

■ Tom Dwyer

Female Young Player of the Year

■ Mia Barwick

State Umpire of the Year

■ Sam Nogajski

Female Tigers Captain's Award

■ Maisy Gibson

Scott Mason Memorial Captain's Award

■ Gabe Bell

Chair's Award

■ Elyse Villani

Hurricanes WBBL Player of the Year

■ Danni Wyatt-Hodge

Hurricanes BBL Player of the Year

■ Rishad Hossain

Jack Simmons Medal (One Day Cup Player of the Year)

■ Beau Webster

David Boon Medal (Sheffield Shield Player of the Year)

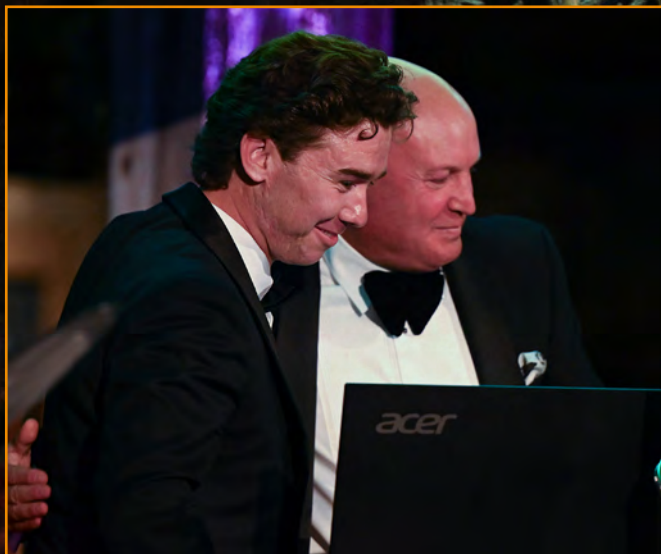

■ Jake Doran

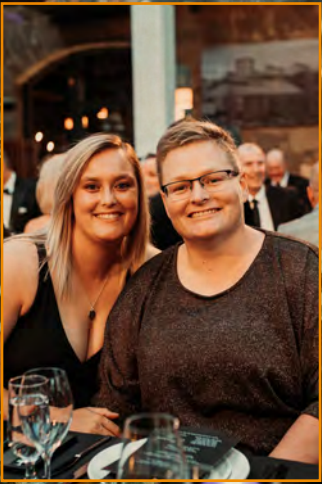

Veronica Pyke Medal (Female Tigers Player of the Year)

■ Rachel Trenaman

Ricky Ponting Medal

■ Jordan Silk

Marketing and Content

Cricket Tasmania's content marketing for 2025-26 was split across six key areas:

Cricket Tasmania – encompassing all content for the organisation, umpires, coaching, pathways, and staffing announcements.

Hobart Hurricanes – Tasmania's WBBL and BBL team, showcasing match highlights, squad, player, and training updates. Giving fans behind the scenes access to the Hobart Hurricanes.

Tasmanian Tigers – all things Sheffield Shield, WNCL, and One Day Cup. Giving followers access to our domestic cricketers.

Cricket Tasmania Premier League – our premier cricket statewide competition.

Ninja Stadium – provides information and updates on what is happening within Tasmania's premier sporting venue.

Hurricanes Café – providing updates on Ninja Stadium's café.

New Balance Kit Launch

The new Hobart Hurricanes New Balance Kit launch was released across socials ahead of the WBBL11 and BBL15 season. Our hero video launched the playing kit and featured Lauren Smith, Amy Smith, Tubes Taylor and Mitch Owen along with a collaboration featuring St Kilda footballer Mitchito Owens. Supplementary pieces around the launch followed featuring Cradle Mountain, Nicola Carey and the leagues launch. Content from the launch was shared over 450 times across the multiple pieces of content and reached a total of 179.2k accounts.

WBBL Championship Content

Winning the WBBL11 Championship helped raise engagement across our Hobart Hurricanes platforms with content across the week reaching 1.8M Facebook and Instagram accounts. A simple iPhone shot of the Champions triumphantly lifting the trophy reached 946k accounts alone.

Overall WBBL11 and BBL15 Big Bash Social Statistics

We had **87.6M views** across all social platforms during WBBL11 and BBL15. 

Gained **123k new followers** during WBBL11 and BBL15. 

Averaged 37 posts on Facebook and 48 on Instagram in season per week (not including Youtube Shorts, TikTok, LinkedIn and X). 

Facebook interactions were **up 84.46% YoY**. 

Instagram Reach was **up 73.49% YoY**. 

Our TikTok following grew by **326%** this season. 

Follower growth was **up 72%** on Facebook and **90% YoY** on Instagram. 

Pride Round content

Our Social Media Pride Round takeover of our Hurricanes' channels helped emphasise the teams and organisations connection to Pride. Content across this takeover generated a 203k reach and was shared 260 times. The Pride Round styling took over our usual look and feel for the Hurricanes' social accounts and content also included Ruth Johnston and the team talking about the Pride Round Logo, what Pride Round means to the team and the Hobart Hurricanes Pride Round logo.

Websites

Across the Cricket Tasmania and Hurricanes websites we recorded just under half a million visitors during the year. While this was slightly down on FY25 overall there were several encouraging growth areas including the following highlights:

Cricket Tasmania

- Cricket Tasmania's organic sessions increased by **34.7% YoY** demonstrating that more people are actively searching for and engaging with our content.
- /premier-cricket: Up **82% YoY**, largely driven by our paid awareness campaign.
- /matches: Up **126.8% YoY**, reflecting increased interest in upcoming Tigers matches.
- The top three most-viewed articles on the Cricket Tasmania website were: One Day Cup Final Squad announcement, Second XI squad announcement & "What's On in the School Holidays". It's particularly encouraging to see strong interest in both the Second XI program and community-focused content.

Hurricanes

- The Hurricanes' three most-viewed articles were all BBL squad announcements reinforcing the strong appetite for team and player news.
- /players/wbbl: Up **144% YoY**, highlighting growing interest in WBBL players. In comparison, /players/bbl increased by 5.4% YoY.
- /membership: Up **238.8% YoY**, supported by a stronger focus on membership acquisition through targeted marketing campaigns.

Email Marketing

A key focus for this year was delivering more tailored communications to specific audience segments across both Cricket Tasmania and the Hurricanes.

Across both platforms we sent just under one million emails and 57,000 SMS messages. This targeted approach contributed to a 297% YoY increase in website traffic generated from email campaigns demonstrating the effectiveness of personalised communication in successfully driving engagement.

Tasmanian Cricket, a Force to be Reckoned With

Brand Campaign

We partnered with Red Jelly to develop and execute a statewide brand campaign for Cricket Tasmania and the Hobart Hurricanes. The campaign's objective was to bring cricket back to the forefront of Tasmanians' minds in an increasingly competitive sporting landscape, while celebrating the important role cricket plays in communities across the state.

Running across television and radio from August 2025 to January 2026, the campaign was designed to resonate with everyone connected to the Tasmanian cricket community, from participants and volunteers to members and fans.

Television Campaign

Multiple versions of the television commercial were aired throughout the campaign period, featuring different creative executions and calls to action aligned to key moments across the season.

High Performance

Women's Tigers

WNCL

Tasmania's WNCL experienced a series of ups and downs in a season that never fully clicked into gear for the Tigers. Having won the competition an impressive three times in the past four seasons expectations were high leading in.

The Tigers travelled to Karen Rolton Oval in late September of 2025 to kickstart their season with a pair of fixtures against Jemma Barsby's South Australia. The hosts emerged victorious in the opening match before Tasmania levelled proceedings courtesy of Rachel Trenaman and Lizelle Lee's 100-run opening partnership. The challenges continued to come thick and fast for the Tigers with Victoria the next opponent to host Tasmania. This trip proved to be more successful as Trenaman and Lee continued their form in astonishing fashion at Junction Oval. Trenaman's unbeaten 95 and Lee's dominant 187 powered the Tigers to a win in the opening match before a restrictive team bowling performance confirmed a 3-1 record for Tasmania ahead of the WBBL break.

Eventual premier Queensland came to town in the new year and displayed its quality with a pair of victories at Ninja Stadium. Despite the losses Hayley Silver-Holmes and Lauren Smith managed half-centuries in the latter match which the Fire won by 60 runs. A similar story transpired a few weeks later as Western Australia made the trip to Hobart in late January. Courtney Sippel's 60 wasn't enough as Maddy Darke fell narrowly short of a century in the opening game, but powered Western Australia to victory at Ninja Stadium. It was back to business for Tasmania's Veronica Pyke Medallist, Rachel Trenaman in the corresponding fixture with the opening batter blasting 139 not out off 146 balls. However, it was Western Australia's captain Chloe Piparo's dominant 119 having the final say with the Italian international leading her side to a six-wicket win.

The next to visit the Apple Isle was the Australian Capital Territory Meteors, and a return to form was not apparent for Tasmania. Rachel Trenaman was once again in the runs for the Tigers at Ninja Stadium hitting 103 off 115 balls, while skipper Elyse Villani chipped in with a half-century. With a respectable target of 238 to chase, ACT got going through opener Olivia Porter whose 107 was instrumental in a victory for the Meteors. Zoe Cooke, having taken four wickets in the opening match, displayed her prowess with the bat in the second making 83 off 78 balls as ACT set a score of 295. Julia Cavanough's 4/56, as well as half-centuries from Caitlin Mair and Emma Manix-Geeves, indicated Tasmania's desire for a close contest. But a narrow ten-run loss at home was a tough pill to swallow for the Tigers and head coach Jude Coleman.

After a few weeks rest in February the Tigers headed to Cricket Central in New South Wales to take on the reigning premier Breakers who were putting together another excellent season. Courtney Sippel bowled strongly in the opener taking 3/45 off 8 overs as Katie Mack hit 99 for New South Wales. Chasing 274 Emma Manix-Geeves provided the sole highlights for the Tigers as she made her first century of the WNCL campaign, but it wasn't to be for Tasmania. The final 50-over match of the year for the Tigers ended similarly to the penultimate, with a valiant chase led by Rachel Trenaman's half-century not enough to topple the title holders at Cricket Central. Finishing in sixth place with three wins and nine losses Tasmania was unable to hit its stride in the WNCL competition after their former period of sustained success. With that being said, there were plenty showing promise for the future.

Men's Tigers

Sheffield Shield

Tasmania's 2025-26 Sheffield Shield campaign began against reigning grand finalist Queensland at Allan Border Field in early October with a draw. The Tigers won the toss and elected to bat, with opener Jake Weatherald continuing his form from 2024-25 with 67 and skipper Jordan Silk starting his season with an impressive 104 off 170 balls. Brad Hope (76) and Jake Doran (66) played important roles as Tasmania were all out for 379. The experienced duo of Matt Renshaw and Marnus Labuschagne responded with centuries of their own as Queensland piled on 612 despite debutant Nikhil Chaudhary taking 5/108 for the Tigers. Despite the Bulls' best efforts to come away with a victory, Tasmania was able to secure a draw through a combination of disciplined batting and power hitting namely from Chaudhary's unbeaten 76 off 80 balls.

Returning home, the Tigers' next match was against Western Australia at Ninja Stadium. In a match that heavily favoured the bowlers, Western Australia held a slender one-run lead heading into the second innings. It was Jake Weatherald who took the match by the scruff of the neck, making his way to 94 off 99 balls and giving Tasmania a 258-run lead ahead of the final chase. The Tigers were able to take consistent wickets as Western Australia inched closer to the target, but Jackson Bird's lbw dismissal of Liam Haskett ensured a narrow three-run victory for Tasmania in dramatic circumstances.

Tasmania's unbeaten opening to the season ended at Junction Oval against Victoria courtesy of a pair of centuries from Campbell Kellaway and Marcus Harris. Riley Meredith was a bright spot for the Tigers taking three wickets in both innings, but Victoria proved too strong winning by 144 runs. Tasmania was much more competitive against the reigning premiers South Australia, as bowlers continued to control games at Ninja Stadium. Brendan Doggett took five wickets before his future Australian Test teammate Beau Webster repeated the effort for the Tigers. A disappointing second innings with the bat opened the door for South Australia and the Sheffield Shield champions took full advantage to win by three wickets.

A team-wide return to form occurred as Tasmania headed north to face New South Wales at Cricket Central. The Tigers' batters enjoyed a fruitful couple of days with Caleb Jewell, Tim Ward, and Nikhil Chaudhary all scoring first innings centuries, while Brad Hope fell agonisingly short making 91. The win was made comprehensive by the bowling collective as the Tigers won by a dominant innings and 58 runs.

The success was short-lived however, as South Australia once again proved to be a bridge too far for Tasmania to conquer. Ruwantha Kellapotha made a half-century on his Tigers Sheffield Shield debut, but it was all South Australia at Adelaide Oval with the reigning and eventual premiers winning by ten wickets. Tasmania's second-to-last win of the season came in hostile territory against Western Australia at the W.A.C.A. Ground, a game headlined by seamer Gabe Bell's blistering 6/82 in the second innings. Jordan Silk, Beau Webster and Jake Doran all managed half-centuries in trying batting conditions before Bell's spell dismantled Western Australia's chase and won the game for the Tigers.

Fresh off an Ashes series victory, stars Jake Weatherald and Beau Webster displayed their class in a draw against New South Wales making 95 and 108 respectively in a game devoid of many other highlights for both sides. The Tigers were unable to get a result against the in-form Victoria at Ninja Stadium, despite a game-high 254 in the second innings.

With the grand final out of reach, Tasmania finished its season in the best possible fashion by defeating Queensland off the back of a second innings from skipper Jordan Silk (82 off 179 balls) and David Boon Medallist, Jake Doran (76 off 167 balls). The Tigers finished the red-ball season in fourth place with four wins, four losses, and two draws.

One-Day Cup

Tasmania began its One-Day Cup season in mid-November at Cricket Central against New South Wales. Kurtis Patterson was dominant for the hosts making 110 off 125 balls as the Blues posted 224. It was an unconvincing chase in reply, but the Tigers scraped over the line with just four balls remaining courtesy of a heroic 56 not out off 71 balls from off-spinner Matthew Kuhnemann.

The challenges came thick and fast for Tasmania as they headed to Brisbane to face Victoria at Allan Border Field in a game dominated by veteran wicketkeeper Matthew Wade. Wade smashed 105 off 68 balls assisted by an important innings from Beau Webster (81 off 95 balls) and Nikhil Chaudhary (67 off 49 balls). Sam Harper did all he could for Victoria making his way to 88 off 51 balls, but wickets continued to fall as Tasmania won by 109 runs.

The Tigers' unbeaten start to the campaign didn't cease against Queensland. While Marnus Labuschagne's century made the task a difficult one for Tasmania, a trio of Tiger batters took the visitors to victory. Caleb Jewell got Tasmania off to a strong start with 79 off 76 balls, before Tim Ward (105 off 96 balls) scored his first century of the white-ball season. Captain Jordan Silk guided the Tigers home in a thriller, scoring an impressive 85 not out off 61 balls.

Returning home for the first time in the One-Day Cup, the Tigers held Western Australia to 248 in the first innings with Brad Hope taking 3/40 off 7 overs. Caleb Jewell, Ben McDermott and Matthew Wade all made scores in the forties, but it was Jordan Silk who once again led from the front with 81 off 75 balls in a relatively dominant Tasmania win, and taking his side to four wins and zero losses.

The dream run continued for the Tigers at the Twin Ovals against reigning premiers South Australia, once again chasing down a target in the one-day competition. A strong bowling effort led by Billy Stanlake's 3/31 off 10 overs held the cup holders to 195 before Jack Simmons Medallist and Tasmania's

One-Day Cup Player of the Year, Beau Webster took full advantage. Webster made 78 off 96 balls and playing a major hand in the Tigers' four-wicket win that was achieved with 10.2 overs remaining.

Tasmania improved to five wins and zero losses, this seemed enough to qualify for the final of the One-Day Cup despite there being two games remaining in the schedule. The first played out as an agonising loss to Western Australia at the W.A.C.A. Ground. Webster continued his blistering form off the back of an Ashes series victory for Australia making 138 off 122 balls alongside Tim Ward's 112 off 114 balls. With little support from the other batters Tasmania's score remained gettable at 318. Half-centuries from Joel Curtis and Aaron Hardie along with contributions from Ashton Turner and Teague Wyllie took Western Australia past Tasmania with just eight balls remaining and one wicket in hand.

New South Wales confirmed its place as Tasmania's opponent for the One-Day Cup Grand Final in the last home-and-away game of the season defeating the Tigers by seven wickets at Ninja Stadium. Ryan Hadley's 5/69 off 9 overs tore through the Tasmanian batting lineup, with Charlie Wakim (76 off 73 balls) providing some level of resistance. Kurtis Patterson continued his form against Tasmania smashing an unbeaten 125 off 89 balls as New South Wales won comfortably.

Played at Ninja Stadium in early March, the grand final was a similarly disappointing display by Tasmania. The Tigers were unable to find their feet as they scraped their way to 118 before being bowled out largely due to experienced duo Ben Dwarshuis and Sean Abbott's six combined wickets. While Riley Meredith and Nathan Ellis answered with poles of their own, it was Patterson once again who steadied the New South Wales ship making 52 not out off 57 balls as the visitors won by four wickets with just under thirty overs left in the match. New South Wales won its' thirteenth One-Day Cup season and ripped the Dean Jones Trophy from Tasmania's grasp.

Howzat! A wicket for Ian Carlisle.

Below: Mitch Owen.

Women's Hurricanes

T20 Spring Challenge

The Hobart Hurricanes women began their season with the T20 Spring Challenge in New South Wales. A competition in which they won the inaugural competition in 2024. Out to defend their title, the Hurricanes opened their campaign at North Sydney Oval against the Sydney Sixers. Nicola Carey belted 60 off 50 balls, but the Sixers proved too strong for Hobart winning by six wickets with six balls remaining.

With only four matches scheduled for the competition, the Hurricanes were in need of results after the opening game loss. A dominant response came against the Sydney Thunder at Cricket Central bowling the Thunder for just 92 thanks in large part to Molly Strano's 4/9 off 4 overs. Although losing five wickets during the chase, it was a match that the Hurricanes won comfortably and one that set off a winning streak.

It was another inspired bowling performance from the Hurricanes against the Melbourne Stars at Blacktown Olympic Park with Hayley Silver-Holmes (4/24 off 4 overs) and company restricting the Stars to 8/130. A team batting display led by Ruth Johnston's 30 and Rachel Trenaman's 34 took the Hurricanes to victory with ten balls remaining and six wickets in hand.

The final regular season matchup against the Brisbane Heat was a decider for who would finish in first position heading into the finals series.

The Hurricanes were made to bowl as they were against the Stars, and it ultimately proved to be a decision that would cost Brisbane dearly. Callie Wilson took 3/25 and Nicola Carey made 62 not out in a comfortable eight-wicket win for the Hurricanes at North Sydney Oval.

The Hurricanes' semi-final against the fourth-placed Perth Scorchers at Cricket Central was abandoned without a ball bowled due to rain. This meant Hobart progressed to the grand final thanks to its superior ladder placement.

It was a repeat of the final regular season game of the T20 Spring Challenge in the decider with the Hurricanes attempting to beat the Heat once again in Sydney. Brisbane elected to field first after winning the toss, an alternate decision to the previous loss a few weeks prior. It was Hurricanes skipper, Elyse Villani who took full toll by belting 61 off just 29 balls in a player of the match performance that led Hobart to 4/193. Brisbane never truly got going in its chase with only two players scoring above 20 as Callie Wilson dominated with the ball once more taking 3/15 off of her four overs. The Hurricanes ran out 88-run victors, completing back-to-back T20 Spring Challenge titles and maintaining their chokehold on the competition.

WBBL

After a successful T20 Spring Challenge, the Hobart Hurricanes were primed to make a charge for the elusive WBBL premiership that had escaped them since the tournament's inception back in 2015. The campaign began against the Sydney Thunder at Allan Border Field where the Hurricanes were victorious courtesy of a smashing knock from Hobart's WBBL|11 Player of the Year, Danni Wyatt-Hodge. The Englishwoman belted 90 off 52 balls while Nicola Carey steered the 'Canes home with a crucial 58 off 43 balls to win by six wickets with three balls remaining.

Just a few days later Hobart made it two wins from two games in New South Wales as it defeated the Sydney Sixers at North Sydney Oval. The Hurricanes showed their class in all facets of the game winning by six wickets in impressive fashion. Player of the match, Hayley Silver-Holmes took the key wickets of superstar Alyssa Healy and Sixers' captain Ashleigh Gardner on her way to 3/18 off 3 overs. Opening pair Lizelle Lee (55 off 33 balls) and Danni Wyatt-Hodge (45 off 26 balls) started strongly with the bat for the Hurricanes and set up a comfortable victory.

Sydney became a second home for the Hurricanes early in the season as Drummoyne Oval became the next ground to host Hobart, as they took on the Brisbane Heat for the first time since the T20 Spring Challenge final. Lee and Wyatt-Hodge's irresistible form continued in a rain-affected match with them putting on 109 before Wyatt-Hodge was dismissed by Jess Jonassen. The now 12-over match became one of inches as a strong team bowling performance restricted the Heat to 9/108 and secured a 16-run win for the Hurricanes.

After a successful opening stint away from home, the Hurricanes returned to Hobart in fine form to face the Adelaide Strikers. It was the Danni Wyatt-Hodge show once again as the purple army bore witness to a powerful, unbeaten 72 off 57 balls that steered the Hurricanes home with just two balls remaining. The 'Canes returned to Sydney for a date with the reigning premiers, the Melbourne Renegades, full of confidence. As the rain came down once again, Hobart's chase of 155 was shortened. But despite the interruptions, Nicola Carey proved her class with 39 off 29 balls to guide the Hurricanes to a six-wicket win at North Sydney Oval.

Hobart's first loss of WBBL|11 came against the Sydney Sixers at Ninja Stadium despite Heather Graham's 4/29 and Elyse Villani's unbeaten 42 off 31 balls. A second consecutive defeat occurred as the Hurricanes were unsuccessful against the Melbourne Stars at Junction Oval. Englishwoman Amy Jones belting 59 off 40 balls and Sophie Day taking 4/17 off 3.2 overs secured a 37-run victory for the hosts.

With an important three-game stretch on the run home, the Hurricanes began with a dominant victory over the Perth Scorchers in Hobart. Beth Mooney was at her very best for Perth making 75 off 55 balls before being run out by Rachel Trenaman. With 186 on the board the Hurricanes were outsiders to take the points, but Danni Wyatt-Hodge and Nat Sciver-Brunt were at their damaging best putting up a 135-run partnership and eating into the bulk of the chase. Sciver-Brunt in particular played her best game of the season smashing 81 off 48 balls as the Hurricanes reached their target with five balls remaining.

The following game against the Stars was a display of dominance as the Hurricanes won by 81 runs at home. Wyatt-Hodge once again starred with the bat hitting 71 off 47 balls, while cult hero Molly Strano tore through the Stars' middle-order with 5/16 off 3 overs and helping bowl the visitors out for 98. The final home-and-away game of the season against the Adelaide Strikers was abandoned before the second innings, meaning the Hurricanes finished atop the WBBL|11 ladder and securing a home grand final.

Hobart's first ever WBBL grand final appearance saw one-time champions, the Perth Scorchers come to town. It was all Hurricanes from the beginning as Perth was unable to hit scoring form in its batting innings, scraping to 5/137. Lizelle Lee took control for the 'Canes carrying her bat through the chase as she made her way to 77 off 44 balls. Hobart's first WBBL premiership win was relatively comfortable in the end, cruising to an eight wicket win with five overs remaining at Ninja Stadium. A well-deserved reward for years of hard work.

Men's Hurricanes

BBL

Fresh off an unforgettable title-winning BBL|14, the Hobart Hurricanes were out to repeat the efforts of the prior season and become just the third team to win back-to-back BBL titles after the Perth Scorchers and Sydney Sixers. The 'Canes opened their season with a grand final rematch against the Sydney Thunder at Ninja Stadium and wasted no time in flexing their muscles. Cameron Bancroft's 61 provided resistance for the Thunder as they posted 180. It was a relatively scrappy batting performance in response, but strong starts from Mitchell Owen (32 off 14 balls) and Nikhil Chaudhary (41 off 31 balls) ensured Hobart had enough to win by four wickets with a single ball remaining.

The second match of the season proved more difficult, as the Melbourne Stars welcomed the reigning premiers to the mighty MCG. Ben McDermott played a lone hand for the Hurricanes hitting 69 off 52 balls, but it was all Melbourne as the hosts won by eight wickets.

Hobart then headed down the highway to GMHBA Stadium in Geelong to face the Melbourne Renegades with Chris Jordan putting on a bowling masterclass. Jordan took 4/19 off 4 overs including bowling a maiden, a rare feat for a T20 game. Chaudhary and McDermott finished off Jordan's work, as the former smashed 79 off 38 balls and the latter guiding the Hurricanes to victory with an unbeaten 49 off 33 balls.

What followed was the hardest task in T20 cricket, heading to Optus Stadium to attempt to beat the Perth Scorchers. But that was exactly what the Hurricanes did thanks to the leg-spinning expertise of their BBL|15 Player of the Year, Rishad Hossain. Hossain took 3/33 off 4 overs and restricting the Scorchers to 150 to set up the chase for Chaudhary (34 off 30 balls) and power-hitter Tim David (42 off 28 balls). The Hurricanes winning by four wickets with three balls remaining and continuing to firm as title favourites.

The final game of 2025 was another four wicket victory, this time against the Renegades at Ninja Stadium in late December. Although there were no major standouts in the match, Nathan Ellis was named player of the match due to his 3/30 off 4 overs and brilliant tactical captaincy. Matthew Wade continued to defy father time with a match-winning 43 not out off 20 balls in a successful chase.

The new year brought challenges for the Hurricanes, as Australian white-ball duo Mitchell Marsh (102 off 58 balls) and Aaron Hardie (94 off 43 balls) proved too strong on New Year's Day at Ninja Stadium, giving the Scorchers a 40-run victory over Hobart. It only took two days for the Hurricanes to bounce back however, as a monster chase led by Tim Ward (90 off 49 balls) took them past David Warner's rampaging Thunder side. Warner hit 130 off 65 balls in a tremendous display of hitting, but 205 proved too small a target for Ward in his breakout Big Bash League match.

Hobart's final home-and-away victory came against the Adelaide Strikers at Ninja Stadium with five batters scoring over 20 before Rishad Hossain again proved why he was brought to the club with 3/26 off 4 overs. The Hurricanes' game against the Sixers at the SCG was abandoned due to inclement weather, while the Brisbane Heat got the best of Hobart in Hobart despite half-centuries from Ben McDermott and the returning Beau Webster.

Finishing in third position, the Hurricanes drew the Melbourne Stars in a must-win final at Ninja Stadium, the Knockout. Webster again proved he was a class above with 47 off 26 balls in a dramatically shortened match due to rain. Hobart eventually won by three runs in bizarre circumstances progressing to the Challenger to face the Sydney Sixers.

This time around the SCG was clear of any downpours, but it was a disappointing result for the Hurricanes who bowed out of BBL|15 courtesy of Steve Smith's 65 off 43 balls and Ben Dwarshuis' 3/26 off three overs. Ben McDermott was the best on the day for Hobart making 40 off 26 balls. But the Sixers won comfortably in the end by 57 runs and qualified for the final which they eventually lost to the Perth Scorchers.

Cricket Tasmania Pathways

Male Summary

The 2025-26 Season was one of continued growth for the Male Pathway with the highlight being Zac Curtain awarded with a CT Rookie Contract.

One of our key strategies this year was providing our players with the opportunity to learn under pressure through game play via 25 completed extra fixtures (excluding National Champs & Country Champs). We also reintroduced the Intrastate Cup which had a planned 23 fixtures across u13/u15/u17/u19, but due to bad weather we were only able to deliver 15 completed fixtures. Also introduced was a new competition called the 'Hurricanes Challenge' for u16 players across the state. This competition is designed to be a step up from regular club cricket, with the best players competing against each other more frequently.

During the preseason we created small skill set groups enabling the players to have more individualized programs with better coach-to-player ratios. This allowed us to work more efficiently on the four key pillars of batting vs. spin, safer bowling actions, creating more opportunities in the field and performing better under pressure which saw some improvement across all areas in the programme.

Although we improved across our key pillars, this is just the start of the journey and will take more time to get players to where we need them to be. Hopefully in the long run this will equate to more Tasmanians receiving professional contracts and future Cricket Australia Representatives.

U19 Male National Championships

In December the Tasmanian U19 team travelled to Perth for the National Championships. Alistair Taylor was Head Coach of the team with Andrew Gale and Harry Nichols as assistant coaches.

We had a mixture of young bottom-age and overage competitors identified as players of potential who could provide value to the team which included Zac Curtain, Lachlan Clark and Louis Smith. Louis being added post Rd 2 due to an injury sustained within the group.

In conditions completely foreign to Tasmania, the boys should be commended on how they handled themselves consistently as individuals and as a cohesive team while playing in 40 degree heat.

Throughout the championship Tasmania were more competitive than previous years, but game pressure and lack of game awareness was common. Our play against spin bowling was a particular highlight, with players now having the tools to cope whilst facing spin. Now it is about understanding the right time to use these tools.

These themes will help guide a structured training programme into the 26/27 season. With 10 players still eligible to play the 26/27 season, it's an exciting period to continue to work with these players in helping them further improve their own on field capabilities and help guide them as young men off the field.

U17 Male National Championships

The Tasmanian U17 team headed to Brisbane for the National Championships with Harry Allanby head coach of the team and Tawanda Mupuwira assistant coach. Head of pathway, Andrew Gale unfortunately missed the carnival due to being the interim batting coach for the female Tigers.

The boys showed they could compete with the rest of the country in glimpses, but weren't able to consistently put performances together to be competitive for long periods. Lachlan Coe performed well, showing his ability to bowl good pace and swing the ball. He was selected for the U19 CA talent ID camp, but was unfortunately unable to attend due to injury. While Harry Thomson, who had good performances in the U19 championship, was also ruled out due to injury.

It was clear throughout the championship that our players struggled to cope with the pressure of being consistently challenged for long periods against the best players in the country. When put under pressure, often they were unclear on their options surrounding their strengths and game plans.

We're looking forward to working with our young cricketers next season in helping them learn about their own game, understand their strengths and work-ons, how to deal with pressure and continue their development of playing against spin.

Female Summary

In line with Cricket Tasmania's strategic direction to play more games of cricket we entered a team in the Under 15 School Sport Australia National Championships held in Tuggerah last September. The tournament provided a great opportunity for our youngest and highest potential cohort to practice their skills in match play before entering the club season. Over the October school holiday period several games of cricket were provided for players in both the U16 and U19 squads. It was fantastic to see a number of these games go down to the last over, providing competitive game play and a chance for these young players to hone their skills under pressure. Prior to Christmas the pathway also entered the U19 female team in the Hurricanes Junior League U16 boys Friday afternoon T20 competition which helped provide the girls with solid preparation and lead into the Cricket Australia U19 National Championships.

This increase in match play prior to both Cricket Australia National Championships proved to be a success with 2025/26 being the best results for Tasmania's female teams in some time. The U19s won three matches and were much more competitive in their losses. The U16s performed just as well, also winning three games and experiencing narrow losses.

All pathway staff and players were extremely proud to see two of our own, Ava Curtis and Mia Barwick, debut for the Tigers in WNCL as cap numbers 92 and 93 respectively. Both players were also awarded Tigers Rookies contracts for season 2026/27.

U19 Female National Championships

In December 2025 the U19 Tasmanian female squad travelled to Newcastle. Led by Harry Allanby as head coach, the group had a good mix of young talent in Mackenzie Stewart, Imogen Ransley and captain Mia Barwick supported by contracted players Sara Kennedy and Ava Curtis (over-age player).

A lot of work was done in the lead in to create a positive environment and culture amongst the group, and the shift was impressive to see. Many members of the squad not only had personal best performances with bat and ball, but as a group the continued collective improvement in fielding was most satisfying.

The team finished with 3 wins in the T20 format and were consistently scoring higher totals. The focus for the group had been batting versus spin and it was pleasing to see some key indicators such as strike rate and dot ball percentages trending in the right direction.

Mia Barwick was named Player of the Series and in the Team of the Tournament scoring 242 runs @ 48.4, taking 4 wickets along with 5 catches.

U16 Female National Championships

In January 2026 Natalie Schilov took the U16 Tasmanian female squad to Launceston for the National Championships. The well-connected group enjoyed the home tournament while playing at different venues across the north and north west and experienced fantastic hospitality from our local host clubs.

Mia Barwick as captain and Maggie Rogers and Chloe Casey, both over-age players, led the team and displayed fantastic leadership capabilities. It was also exciting to see the likes of Audrey Farrelly, Addison Heenan and Zali Bricknell compete in their first CA National Championships and hold their own at this level.

The highlight of the championships was the team's 50 over win against South Australia. Chasing 202 for victory (Imogen Ransley 3/25), Sidney Fletcher was an unlikely hero returning to the crease after a knee injury in the first over to help see the team home (Barwick 89, Bricknell 19 and Moir 14 not out). An inspiring win that the players will remember and take a lot of confidence from moving forward.

Mia Barwick was once again named in the Team of the Tournament. Following the completion of both national championships she also earned her first U19 Australian call up, playing in the home tri-series against Sri Lanka and England in April 2026.

Tasmanian Match Officials

Tasmanian Match Officials continue to develop and make impact on the national and international stage. The commitment and drive to improve standards has seen positive outcomes for both umpiring and scoring.

Umpiring Highlights

- Sam Nogajski achieved a monumental milestone in his umpiring career officiating his debut Test Match in Bangladesh in November 2025. Along with again officiating all 3 CA domestic finals, plus a stint in the Indian Premier League (IPL). Sam's career moves from strength-to-strength as he was jointly awarded the CA Umpire of the Year and also picking up the CT Umpire of the Year. He remains committed to helping those moving through the ranks by participating in meetings and training local umpires.
- Michael Graham-Smith maintains a strong presence on the Cricket Australia Contracted Umpire Panel officiating First Class, List A and BBL matches. He continues to support local umpiring and still umpires within the Premier League when commitments allow.
- Melissa Scolyer continues to make advances in her umpiring career, overseeing the Grand Final of the CA U19F Championships and making her international debut in an U19F tri-series against England and Sri Lanka. She also debuted on-field in the WBBL along with continuing WNCL games.

Notable Umpire Appointments 2025-26

Sam Nogajski

- Test Match Debut – Bangladesh v Ireland - 11-14 November 2025
- ICC Emerging Umpires Panel
- Men's ODIs & T20 Internationals
- Cricket Australia Contracted Umpire Panel
- 4 IPL matches on-field - May 2026
- Sheffield Shield Final
- One Day Cup Final
- BBL Final

Michael Graham-Smith

- Passed the 100 BBL matches mark becoming only the third umpire to pass this milestone
- BBL Knockout Final
- Cricket Australia Contracted Umpire Panel
- Sheffield Shield
- One Day Cup
- CTPL Grand Final – On-field

Melissa Scolyer

- Tasmanian State Umpire's Panel
- Grand Final of CA U19F Championships (NSW)
- U19F International Tri-series – Australia, England and Sri Lanka (Qld)
- WNCL
- WBBL

Muhammad Qureshi

- Tasmanian State Umpire's Panel
- ICC Umpire Educator
- CA U19M Championships (WA)
- CA 2nd XI
- WNCL
- WBBL (both on-field and part of a select group nationally that were trained as TV Umpires)
- CTPL Grand Final – On-field

Simon Burns

- Tasmanian State Umpire's Panel
- CA U19M Championships (WA)
- CA 2nd XI
- WNCL
- WBBL (both on-field and part of a select group nationally that were trained as TV Umpire)
- CTPL Grand Final – 3rd Umpire

Sam Burns

- Tasmanian State Umpire's Panel
- CA U17M Championships – Semi-Final (Qld)
- CA 2nd XI
- WNCL
- WBBL
- CTPL Finals

Brayden Seabourne

- CT Development Panel
- CA U16F Championships – Grand Final

Jason Shelton

- CT Development Panel
- CA U16F Championships
- Umpire Exchange to NSW Premier League – 1st Grade

Bamdev Paudel

- CT Development Panel
- National Country Championships (WA)

Pratik Sawakhande

- National Indigenous Championships (Mackay) – Women's GF

CTPL Grand Final Umpires

- Men's 1st Grade T20
– Muhammad Qureshi & Simon Burns
- Men's 1st Grade One Day
– Wade Stewart AFSM & Sam Burns
- Men's 1st Grade Three Day
– Mike Graham-Smith & Muhammad Qureshi
- Female 1st Grade T20
– Jason Shelton & Brayden Seabourne
- Female 1st Grade One Day
– Caleb Berechree & Nick Grubb
- Men's 2nd Grade Two Day
– Wade Stewart AFSM & Sam Burns
- Men's 3rd Grade Two Day
– Jason Shelton & Brayden Seabourne

Cricket Tasmania Premier League

Wilson Homes Cricket Tasmania Premier League

The 2025-26 season will be remembered as one when bat often dominated ball.

- South Hobart-Sandy Bay amassed 411 in less than a day in Men's 1st Grade, only for that total to be chased down by Kingborough;
- Lindisfarne's 2nd Grade Men's team declared after 78.2 overs at 5 for 521;
- Mia Barwick dazzled with 199 not out; and
- Charlie Wakim amassed a record six centuries in a season.

It was also the season in which Kingborough re-entered the Women's 1st Grade competition and duly made it through to a Kookaburra Cup grand final. But it was North Hobart which once again reigned supreme. Under new coach Julia Cavanough the Demons defeated Clarence in an entertaining Twenty20 Final at Ninja Stadium in January before claiming the major crown on home turf for the third successive season.

The rise and rise of Mia Barwick continued with the teen sensation awarded player of the match honours in both grand finals. Barwick's first delivery to clean rip Rachel Trenaman in the Twenty20 contest was truly a moment to behold.

Clarence capped a successful season by claiming the Men's 1st Grade Two-Day crown ending a seven-season drought and defeating Kingborough by the narrowest of margins in the Club Championship. Under the guidance of new men's coach Shane Holland, the Roos advanced to all three major grade finals in the Men's competition and also added the 3rd Grade trophy to the cabinet.

A 277 run partnership between Mac Wright (171) and Roos' veteran champ Mike Jones (131) wrenched the game away from New Town on day one of the 1st Grade final. However the Bucks did not end the season empty handed with their 2nd Grade Men's team denying Clarence a clean sweep.

The Greater Northern Raiders created history earlier in the season with a 76 run defeat of Kingborough to claim the representative team's first Kookaburra Cup crown. Ben Hann was the destroyer for the Raiders with figures of 5 for 15. Greater Northern dominated the One-Day competition, remaining undefeated through six matches and topping the ladder with 28 points – seven points clear of the Knights.

Kingborough also had to settle with the runners-up mantle in the Men's 1st Grade Twenty20 competition. In a memorable evening for CTPL cricket at Twin Ovals, University of Tasmania claimed its third T20 title in four years.

Glenorchy's women's program claimed some history of its own, emerging from fourth position on the ladder to win the Women's 2nd Grade grand final and the club's first piece of silverware in women's cricket.

Other highlights of the season included:

- Four players graduated from the CTPL to Tigers contracts this year. Mia Barwick will head into next season with a rookie Tigers contract along with GN Raiders skipper Ava Curtis. Kingborough keeper/batsman Zac Curtain received a mid-season rookie call-up to the men's program. And New Town's Caelan Maladay was rewarded with a full contract following three-seasons of lion-hearted performances with the ball in the CTPL.
- Charlie Wakim broke a 125-year record with his six centuries in a season. It seems only fair to point out Kenneth Burn – who held the previous record of five tons with seven others – only played 8 matches in the season of 1899/1900. Wakim and University's Ruwantha Kellapotha were worthy joint winners of the Emerson Rodwell Medal.
- English recruit Amy Gordon provided the backbone to Kingborough's excellent return to Women's 1st Grade and was a runaway winner of the Kim Fazackerley Medal.
- Another North Hobart youngster to watch out for is Mackenzie Stewart who took home four trophies from the Rodwell and Fazackerley Awards night.
- University of Tasmania great, Josh Bean was inducted into the CTPL Hall of Fame. Bean rarely disappointed on or off the field over two decades for the Lions, and his on-stage acceptance was no exception.
- Emerging umpire Jason Shelton was a popular winner of the inaugural Sam Nogajski Medal.
- A raft of changes to by-laws and playing conditions were very successful in providing greater flexibility and clarity for all. The re-drafting of the Code of Behaviour and introduction of a review process for all reports was also an unmitigated success.

Cricket Tasmania would like to thank all the volunteers at club level, those who serve cricket on the CTPL Committee and Tribunal and also extend our appreciation to the match officials, curators and other local government employees who make the CTPL competition possible.

Company secretary

D L Baker, (Chief Executive Officer and Company Secretary)

Appointed Chief Executive Officer and Company Secretary in November 2019

Dom has over 25 years' experience in senior management roles across a range of iconic Tasmanian organisations, including General Manager of Cascade Brewery and several General Manager roles with Federal Group.

He has also served as a Director of several organisations, including AFL Tasmania, the Tasmanian Hospitality Association, and the Australian Liquor Stores Association. Dom currently serves as Chair of Business Events Tasmania.

A proud Tasmanian and passionate sportsperson, Dom remains actively involved in coaching junior sport at a community level.

Directors' Report

30 June 2026

Principal activities

Cricket Tasmania is the administrative body for cricket in Tasmania, responsible for game development, high performance and the promotion and growth of cricket across the State.

In addition to administering the game, Cricket Tasmania holds a long-term lease with the Clarence City Council for Ninja Stadium, which hosts international and domestic cricket, AFL football, and a range of sporting and community events.

No significant changes in the nature of the Company's activities occurred during the financial year.

Objectives

Cricket Tasmania's purpose is to inspire, engage and entertain our communities on and beyond the field of play.

Cricket Tasmania's vision is to be a leader in sport and entertainment, delivering memorable experiences for all communities. This is underpinned by four strategic priorities identified in Cricket Tasmania's 2024-2026 Strategic Plan:

- Increase cricket participation
- Develop winning elite teams
- Become a leader in performance and wellbeing
- Increase cricket investment

Strategic objectives for achieving the priorities

To achieve these priorities, the Company has adopted the following strategic objectives to measure success:

Increase cricket participation

- Develop new product offerings that reduce barriers to participation.
- Recruit new families through Cricket Blast.
- Support volunteers to provide quality experiences for children aged 5-12.
- Identify priority facilities for upgrade and new usage.

Develop winning elite team

- Create world-leading cricket systems to support the development and wellbeing of players.
- Enhance playing opportunities for our high potential players.
- Secure future high performance venues and facilities.

Become a leader in performance and wellbeing

- Enhance the wellbeing of our people.
- Build leadership and people capability.

Directors' Report

30 June 2026

Increase cricket investment

- Increase profitable revenue.
- Secure Government funding.

Members' guarantee

Cricket Tasmania is a company limited by guarantee. In the event of, and for the purpose of winding up of the company, the amount capable of being called up from each member and any person or association who ceased to be a member in the year prior to the winding up, is limited to \$20 towards meeting the outstanding obligations of the company.

At 30 June 2026 the collective liability of members was \$29,160.

Signed in accordance with a resolution of the Board of Directors:

Director: Tim Scott (Chair)

Dated: 19th August 2026

Meetings of directors

Attendances at meetings of the Board and committees by each director during the financial year were as follows:
(E = number of meeting that the director was eligible to attend; A = number of meetings attended)

Attendances at meetings of the Board and committees by each director from 1st July 2025 till 30th June 2026
(E = number of meeting that the director was eligible to attend; A = number of meetings attended)

to the Directors of Cricket Tasmania

Auditor's Independence Declaration

To the Directors of Cricket Tasmania

I declare that, to the best of my knowledge and belief, there have been:

- (a) no contraventions of the auditor independence requirements as set out in the *Corporations Act 2001*; and
- (b) no contraventions of any applicable code of professional conduct

in relation to our audit for the year ended 30 June 2026.

The accompanying notes form part of these financial statements.

Notes to the Financial Statements

for the year ended 30 June 2026

The financial report covers Tasmanian Cricket Association ("Cricket Tasmania") as an individual entity. Cricket Tasmania is a not-for-profit Company limited by guarantee, incorporated and domiciled in Australia.

The principal activities of the Company for the year ended 30 June 2026 were promoting and developing cricket in Tasmania.

The functional and presentation currency of Cricket Tasmania is Australian dollars.

1 Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures and the *Corporations Act 2001*.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Material accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

2 Summary of Material Accounting Policies

(a) Revenue and other income

Revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Association expects to receive in exchange for those goods or services. Generally, the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability. None of the revenue streams of the Association have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

Annual distributions from Cricket Australia include minimum guarantee payments, payments to players, match fees and other funding. Revenue is recognised over the Cricket Season as the performance obligations for which the funding is provided are met.

Revenue from rendering of services is recognised when the services are provided or over the Cricket Season, which coincides with the reporting period. Services include membership fees, services provided to sponsors, ticket sales, function centre events and venue hire.

Grant revenue is recognised in the period in which the services funded by the Government are provided by the Association. Where the funding that is received which relates to future periods, that portion of the revenue is recognised as a liability on the balance sheet. Grants for capital purposes are recognised as revenue when the obligations under the funding contract are met.

(b) Income Tax

The Company is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

(c) Property, plant and equipment

Each class of property, plant and equipment is carried at cost less any accumulated depreciation and impairment.

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the asset's estimated useful life, commencing when asset is available for use.

Notes to the Financial Statements

for the year ended 30 June 2026

2 Summary of Material Accounting Policies continued

The estimated useful lives used for each class of depreciable asset are shown below:

Fixed asset class	Useful life
Western Stand	5-43 years
Ground facilities	10-20 years
Leasehold improvements	40-50 years
Other facilities	5-10 years
Oval lights	15-60 years
Plant and Equipment	3-10 years

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

(d) Employee benefits

Provision is made for the Company's liability for employee benefits, those benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

3 Critical Accounting Estimates and Judgments

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

Notes to the Financial Statements

for the year ended 30 June 2026

Stadium and accommodation developments

Cricket Tasmania continues to progress its long-term infrastructure strategy to ensure the organisation has access to facilities that support community participation, high-performance programs and future operational requirements.

During the year, discussions commenced with the Tasmanian Government, Stadiums Tasmania and other key stakeholders regarding the future ownership and management of Ninja Stadium. These discussions form part of broader planning associated with the introduction of a Tasmanian AFL team and the development of the Macquarie Point Stadium, which are expected to influence the future utilisation of sporting infrastructure across the State.

To support its long-term accommodation requirements, Cricket Tasmania entered into an agreement to purchase a 15-hectare parcel of land at Seven Mile Beach for the development of a future High Performance, Community Cricket and Administration Facility.

Notes to the Financial Statements

for the year ended 30 June 2026

7 Property, plant and equipment continued

Stadium and accommodation developments continued

The purchase price is \$1.8 million, with a deposit of \$180,000 paid during the prior financial year. Settlement of the land is subject to Cricket Tasmania obtaining the necessary planning, development and regulatory approvals within the agreed contractual period.

The Seven Mile Beach project continued to progress during the financial year, with governance arrangements established and specialist consultants engaged to undertake planning, design, quantity surveying and project management services. A Tasmanian Government contribution of \$250,000 supported these works during the year, with a further \$2.5 million committed after balance date to progress detailed planning, design and development activities.

Cricket Tasmania remains committed to advancing both the Seven Mile Beach development and the transition planning for Ninja Stadium to ensure the sport is well positioned to meet its future infrastructure needs across Tasmania.

8 Trade and Other Payables

	Note	2026 \$	2025 \$
CURRENT			
Trade payables		486,219	820,504
GST payable		284,489	171,388

Lease liability		57,116	134,590
		<u>1,916,151</u>	<u>1,993,625</u>

Notes to the Financial Statements

for the year ended 30 June 2026

9 Borrowings continued

(a) Loan - Cricket Australia

Cricket Tasmania received a \$4,000,000 interest free loan in 2015/16. It repaid \$2,000,000 in 2018/19 via a grant received from Cricket Australia for upgrades to the High-Performance Centre at Bellerive. The loan is recorded at fair value, which is estimated by discounting the future loan repayments using a market rate of 4.4%. The balance is due to be repaid due by 30 June 2027, subject to agreement between the parties on future repayment arrangements.

10 Other Liabilities

	2026	2025
	\$	\$
CURRENT		
Sponsorship and other income in advance	114,787	1,280,894
	114,787	1,280,894

11 Employee Entitlements

Current liabilities		
Annual leave	617,986	535,824
Long service leave	32,043	32,835
	650,029	568,659
Non-current liabilities		
Long service leave	195,150	114,826

12 Key Management Personnel Disclosures

Key management personnel are those who have the responsibility for planning, directing and controlling the activities of the Company and consist of the Directors, Chief Executive Officer and the executive team, including the state coach.

The remuneration paid to key management personnel of the Company is \$1,709,587 (2025: \$2,251,183). The reduction in aggregate remuneration compared to the previous year is due to a restructure of the executive team, which also involved termination payments to two former executives who left the organisation during the previous year. Directors are not remunerated.

13 Auditors' Remuneration

Remuneration of the auditor Synectic Audit & Assurance Pty Ltd for:

- Audit of the financial report	15,700	14,500
- Audit of Cricket Revenue and Player Payments Schedules	6,050	5,600
- Compilation of the financial statements	3,250	3,000
- other services	8,000	-
Total	33,000	23,100

Notes to the Financial Statements

for the year ended 30 June 2026

14 Contingencies

In the opinion of the Directors, the Company did not have any contingencies at 30 June 2026 (30 June 2025: None).

15 Events after the end of the Reporting Period

Cricket Tasmania continues to participate in a process being led by Cricket Australia regarding the potential future ownership structure of Big Bash League franchises. The process remains in its preliminary stages and Cricket Tasmania, together with its advisers, is engaged in discussions and evaluating opportunities that may emerge as part of this process. The Board will assess any proposal against the long-term interests of Cricket Tasmania and the broader development of cricket in Tasmania. At the date of this report, no transaction has been agreed and the financial impact, if any, cannot be reliably determined.

Other than the matters outlined above, no events or circumstances have arisen since 30 June 2026 that have significantly affected, or may significantly affect, the operations of Cricket Tasmania, the results of those operations, or the state of affairs of the organisation in future financial periods.

Directors' Declaration

The directors of the Company declare that:

1. The financial statements and notes, as set out on pages 9 to 18, are in accordance with the *Corporations Act 2001* and:
 - a. comply with Australian Accounting Standards - Simplified Disclosures; and
 - b. give a true and fair view of the financial position as at 30 June 2026 and of the performance for the year ended on that date of the Company.
2. In the directors' opinion, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Director: Tim Scott (Chair)

Dated: 19th August 2026

Independent Auditor's Report

to the Members of Cricket Tasmania

Independent Auditor's Report

To the Members of Cricket Tasmania

Report on the Audit of the Financial Report

We have audited the financial report of Cricket Tasmania (the Company), which comprises the statement of financial position as at 30 June 2026, the statement of income and retained earnings and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies, and the directors' declaration.

Opinion

In our opinion the accompanying financial report of Cricket Tasmania is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the company's financial position as at 30 June 2026 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards – Simplified Disclosures and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the directors' report for the year ended 30 June 2026. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

Postal: P.O. Box 6003, Devonport TAS 7310
synecticgroup.com.au

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Simplified Disclosures and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Independence

We provide the directors with a statement that we have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

Acknowledgements

The 2025–26 season was made possible by the incredible support of many different individuals and organisations. Cricket Tasmania thanks all for their contributions and for being part of a terrific season.

The **Tasmanian Local Government Councils** right across the State for their great assistance and cooperation, especially in providing grounds and facilities for all levels of cricket.

The **City of Clarence** for its support with Ninja Stadium and cooperation with ground bookings at all levels.

Brighton Council for access to its facilities at Pontville that have providing important support for our elite and pathway programs in particular.

The **City of Launceston, West Tamar, Meander Valley, Latrobe** and **Devonport** Councils for their support and assistance in hosting the U17 Male National Championships in January 2025.

The **Clarence District Football** and **Cricket Clubs**, and **AFL Tasmania**, for their cooperation regarding the joint usage of Ninja Stadium and its associated facilities.

Bob Cotgrove and **Chris Garrett**, our honorary grade statisticians, for their dedicated work.

Ric Finlay for his wonderful work as a statistician for our state team fixtures and international matches.

The **Independent Tribunal** for its time and support adjudicating at Association hearings. The Tribunal consisted of **Andrew Buckley (Chair)**, **Heather Denton**, **James Groom**, **Luke Taylor**, **Tony Daly**, **Andrew Dykes** and **Simon Stebbings**.

The **Premier League Committee Members**; **Tim Scott**, **Travis Prins**, **Brendan Wilson**, **Craig Davies**, **Dr. Charles Rose** and all **Club Administrators** without whose efforts the clubs and teams of our Associations could not compete.

Tasmanian cricket's umpires, scorers, and **volunteers** for their huge contributions in running successful competitions.

The **Cricket Tasmania Museum** and **Library volunteers**, whose assistance and passion keeps the Blundstone Arena, Bellerive Oval Tours and Museum operating.

Rick Smith, **Linda Higginson** from Solstice Digital, **Steve Bell** and **Getty Images** for their many photos used throughout the year, including in this report.

Obituaries

It is with sadness that Cricket Tasmania acknowledges the passing of the following people this past year:

Tasmanian cricketers

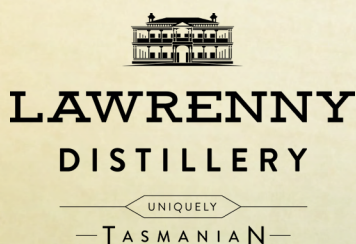

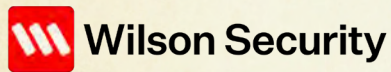

Ian Cowley died 30 September 2025 in Melbourne.

Bruce John died at Launceston 14 April 2026.

Cricket Tasmania Member

Bob Cotgrove died 19 November 2025 at Mt Nelson – CTPL statistician for over thirty years.

Cricket Tasmania and the Hobart Hurricanes would like to thank their commercial partners for their support throughout the 2025–26 season:
